

Dear Members,

As promised here are the results for the two online polls.
This information will be put on the website.

Time goes by so fast so make a note in your diary for the summer craft fair at Mareel, on Saturday 11th July.

The invite to book a stall will be sent out in good time BUT at present this craft fair is offered to Associate members first. If all 34 spaces are taken, I will inform you.

The combined membership total is 134.

The Craft Trail booklets listing all of you (69 Full members) are being printed.
We hope you like the new design.

The booklets should be in Shetland for distribution around 4th April, all being well.

We hope you will be able to collect what you need for your own use.

You will find a box of booklets in the porch of 37 Burgh Road, Lerwick.

I will have booklets at my house, 16 Mulla, Voe.

There may be more addresses where you can pick up from 🤔
I will keep you informed.

Please contact me if you have any questions.

We love to share posts of your crafts on our Facebook page. To help us find your posts please can you mention our page and add the hashtag #shetlandartsandcrafts

Best wishes,
Linda and the Committee
